

# 70 Weeks of Daniel 9

	LITERAL PATH	SPIRITUAL PATH: Leading to Judgment DAY in 1994	
			<b>Tribulation—1 week</b>
Ezra returns to Jerusalem to re-establish the Law ( <i>Ezra 1:2-5</i> ) (Picture of the Depart Out <i>seeming</i> to point to 1994)	458 BC		
The following year was a <u>Jubilee</u> which points to salvation ( <i>Le 25:10-11</i> )	457 BC	457 BC	
<b>7 Weeks:</b> (50—1=49 years 7x7) A period between two Jubilees ( <i>Le 25:8</i> )	407 BC		
<b>62 Weeks:</b> (62x7=434 years: From 406BC) Leads to the baptism of Christ and start of tribulation— <i>Beginning of Sorrows. Messiah is cut off (Daniel 9:26)</i>	29 AD	1988	
<b>1 Week:</b> (7 years) Judgment / Tribulation: <u>Evil</u> Covenant confirmed by <i>antichrists</i>	29 AD		1988
<b>half of 7 = 3.5 Midst of the week—Judgment Day—End of Sacrifices—1994</b> = <i>Jubilee of Jubilees = 50 Jubilees from the command of Daniel 9:25</i>	33 AD		1994
2011— <b>Shadow Year:</b> Anticipation of a Literal End but <i>there is no substance</i> since the tribulation was cut short bringing to an end the church era to which the numbers, timeline and gospel were tied to?			2011
	491	69 (7+62)	1
<b>Year zero adjustments</b>	<1>		
<b>Weeks 490</b> ( <i>spiritual path does not have to add up</i> )	490	69 (3x23*)	1
<b>Reconciliation of Weeks:</b>			
<b>70 Weeks</b>	70	69	1
<b>x Sevens</b>	7	7	7
<b>Actual weeks</b>	490	483	7
<b>Jubilee to Jubilee</b> (457 + 1994 -1 = 2450) *			2 x (5x5) x (7x7) *

(\*) God, it seems, starts with 70 weeks, then makes the timeline 69 weeks (7 + 62) because (a) 70 takes us to the cross where the first judgment occurred (b) 49 (7x7) a period between two Jubilees forces us to look at one Jubilee to another (457 BC—1994 AD) and (c) 69 is the product of (3 x 23) where 23 relates to the start of the 23—year great tribulation in 1988 but cut short in 94? And the composition of 2450 years: 2 x (5x5) x (7x7) Judgment (5&7) and Salvation (5&7) on the church (2).
